

DINOS

Dogs in need of Space UK

DINOS are dogs who for whatever reason need their space around other dogs. Out of control off lead dogs, however friendly can be a problem for a DINOS dog. Please show consideration for dogs who are on a lead.

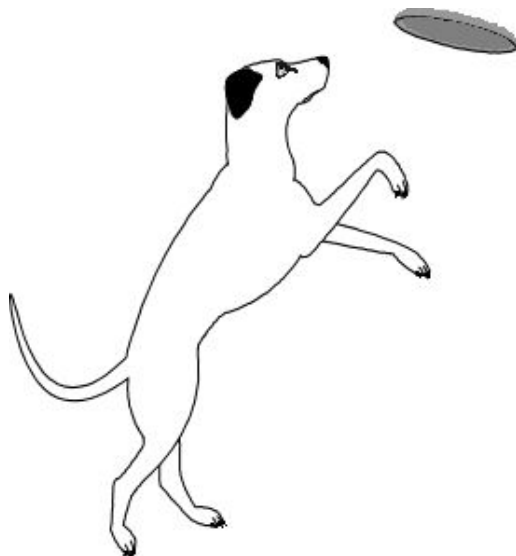

"I'm nervous,
don't let your dog approach"

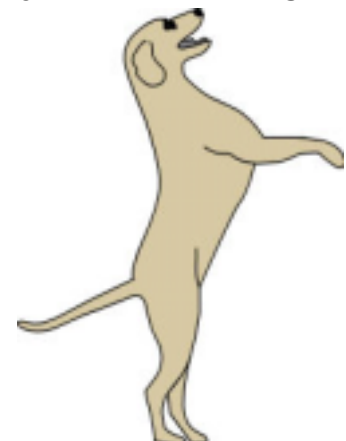

"I was attacked by an off lead dog
please give me space"

"I'm recovering from a broken leg
don't let your friendly off lead dog jump over me"

"I'm anxious and don't know how to
greet your off lead dog"

Let's work together so we can all enjoy stress free walks.
